

# How to order a **Club-Blazer** for Men and Women

Measurements of chest, bust, waist seat and hip should be taken over the top of a shirt or blouse

Do not pull the tape measure too tight, let it feel comfortable on you

Blazer length, sleeve length, shoulders and 1/2 back measurements should be taken over an existing comfortable jacket or blazer

Measurements can be given in inches or centimetres

1. CHEST/BUST

Place the tape measure over the protruding point of your shoulders; bring it up under your armpits and around over the fullest part of the chest/bust so that the tape meets again at the front of your chest

2. WAIST

Place the tape around your waist. Please note that this measurement is not the top of your trousers but must be your true waist which is the fullest part of your stomach. For ladies please measure around your waistline

3. SEAT & HIPS

This measurement should be taken around the widest part of the hips ensuring that the tape measure is over the most protruding part of the seat

4. LENGTH

This is taken from the bottom of the collar down the centre back of the blazer to the desired length

5. SLEEVES

Hold arm out straight, place the tape at the top of the sleeve taking it down to the outside of the arm to read of the desired length of the sleeve

6. 1/2 BACK

Put tape measure at the centre of the back, between the shoulder and take it out to the armhole seam
